PAPER & CLOTH TAGS

Multipurpose garment tags let you quickly identify merchandise, saving time. Perfect for apparel stores, these tags also serve as price tags with product details like number, style, and size.

PHOTO CARDS

Clothing Photo Cards are popular in the garment industry, featuring a glossy finish and meeting diverse customer needs. Made from high-quality materials, they are praised by clients and offered at competitive prices.

PAPER BOXES

Enhance your apparel branding with custom packaging. From shirts and t-shirts to trousers and dresses, we create personalized clothing boxes to fit your style.

PRINTED LABELS

Your clothing care label provides essential guidelines for washing, drying, and ironing. It may also list materials like cotton and polyester, commonly used in dress shirts.

WOVEN LABELS

We produce woven labels in various weaves, using premium yarn quality and 100% recycled polyester.

HEAD TRANSFER STICKER

Fusing stickers are easily applied to garments by ironing. The design is printed on special transfer paper or synthetic film, then transferred onto the fabric.

BARCODE STICKER AND ALL TYPES OF DIE CUT STICKERS

Barcode stickers are widely used in supermarkets and retail for tracking prices and stock. Found on products like food, clothing, and electronics, they streamline product information and ordering processes.
